

College Annual Day would be the best case study to explain the decentralization and participative management. It is an indicator of the prodigious event of college where decentralization and participative management is implemented right from the management level to the student level.

The Governing council is the guiding force which persuades the persistent enhancement of the college. The management conducts meeting with the Principal to review academic excellence of the institution. Every event and programme which is organised is well planned and presented having taken all the guidance and suggestion from higher authority. The dates were fixed by the Secretary and Chairman of Governing Council. The Guests were fixed after having the discussion with Principal and other committee heads.

The Principal calls for a meeting with all the department heads and committee heads of the college before organising the programme and determine the budget. The Principal ensured active participation of all staffs. The Committee heads were instructed to allot works for all the other members. The members in turn guided and distributed the responsibilities to the Student Council heads. The Council heads ensure the participation of all the students.
